7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

1. Title of the First Best Practice: Empowerment of Yuwati

2. Goal

- To empower the girls through guidance, lectures and Yuwati Personality Development Seminars.
- To make the girls competent in their life.
- To bring the hilly and tribal girls into the mainstream of education.
- To acquaint girls to quality education.
- To inculcate leadership qualities among the hilly and tribal girls.

3. The Context

- The college is situated in hilly area. The girls come to college from hilly and tribal area. They do not get adequate facilities of education. They are not willing to complete education. They get married early and leave their higher education incomplete. These are the challenges for higher education of girls. The college established Yuwati Sabha to empower the girls. Yuwati Sabha organizes various activities to empower the girls. The planning of girls activities are systematically and effectively implemented throughout the academic year. To empower girls has become the mission of college.

4. The Practice

• Expert Lectures

Empowerment of girls is done through lectures and different activities

a) Every Year the college arranges five expert lectures to empower the girls.

- i. Gender Sensitization lecture for inculcating equality among girls and boys.
- ii. Hygiene awareness lecture is organized to make them health conscious.
- iii. Legal awareness lecture is arranged to make them know about their rights and responsibilities. The lecture is delivered by an expert of Law on various issues of women.
- iv. Career guidance is arranged for girls. This lecture introduces various career options to them. It offers guidance on different examinations.
- v. The lecture on Save Girls Child is organized to create awareness about the importance of girl child. The birth rate of girls child is deteriorating tremendously.

This lecture will help in increasing birth rate of girl child. The feature of this seminar is that the Chief Guest and Resource Persons are well qualified and social activist women. The invited chief guests are from different walks of life.

Seminar Organized on Yuwati Personality Development

Sr.No	Academic Year	Organized Seminar	Date & Place

- **Rally on Beti Bachhav Beti Padhav Abhiyan**

The college organizes rally on Beti Bachhav Beti Padhav every year in Nijampur-Jaitane village for generating awareness on save girls child and educating them.

- **Swayam Siddha Shibir**

Swayam Siddha Shibir is organized for girls of a week every year. It is Karate training to girls. It teaches different techniques of self protection. The Karate Master Mr.Bachhav teaches them very scientifically. It removes the fear of insecurity of girls and empowers them physically. This training gives them confidence of moving around the World without fear.

- **Limitation**

The college does not have trained lady teacher but our girls are trained in such a way that the girls themselves work as volunteers for the organized programmes. Thus the college overcomes the limitations and constraints.

5. Evidence of Success

The college has successfully conducted the activities of empowerment of Yuwati. The huge response is achieved by the college from society. This is social support for the activity. The lectures arranged of women on women are very successful. The women from different walks of life come to attend the lectures on issues of women. The activities are supported by society, institute and university. The rallies on 'Save Girl Child' are also organized by college. The rallies are joined by high school and junior college girls. The college attempts for equality of women. Equal opportunity is given by college to girls in academic and extra-curricular activities. The college prepares report every year and submits it to the North Maharashtra University, Jalgaon. The report and activities are appreciated by the experts on different occasions.

Empowerment of Yuwati is the best activity of our college. There is no lady teacher in our college. Yet the girls feel secure and confident and they conduct the activities from beginning to the end. This activity has become our strength.

The college participated this activity in the competition of 'Jagar Janivancha', The Government of Maharashtra was deeply impressed by the activity since the college is empowering hilly and tribal girl through various activities. The Government of Maharashtra gave the first District Level Prize of rupees One Lakh, Memento and Certificate to college. This has become our success story. Thus this best activity is acknowledged and appreciated through the first district level prize of rupees one lakh, memento and certificate by the Government of Maharashtra to our college.

6. Problems Encountered and Resources Required

The college imparts education in hilly area. The girls hesitate to continue their higher education. These girls are empowered through different activities. Our North Maharashtra University, Jalgaon offers financial support to empower activities of our college.

2) Title of Second Best Practice: Shardiya Navratra Lecture Series

1) Goal

- 2) To acquaint students with community services.
- 3) To make social orientation.
- 4) To enlighten the students through expert lectures
- 5) To make students responsible citizens
- 6) To arrange lecture series on different social issues with social sharing

The Mission statement of our college is “Empower the rural and tribal students through value based and life oriented quality education” .The education should not remain restricted to four walls of classroom. It is to be shared with community.

2) The Context:

The Mission statement of our college is “Empower the rural and tribal students through value based and life oriented quality education” .The education should not remain restricted to four walls of classrooms. It should go beyond it and it should enlighten the society on different issues of life. The objective behind organizing the Shardiya Lecture Series to make co-ordination between college and society. It builds goodwill about college. This lecture series is funded and supported by great visionaries of our town. This is the unique feature of this Shardiya Lecture Series. Our college is the only college which runs this lecture series for community orientation. It is therefore an innovative practice. The college comes ahead and work with society directly. This is the healthy practice of college. The parents and alumni attend the Shardiya Lecture Series. This is the intellectual feast for the students and people of society. The people of adjoining villages and padas also come to attend the Shardiya Lecture Series. The invitation cards are printed and sent to the people. The programme of Lecture Series is communicated through newspapers invitation and notice on the public notice board at different squares in town. The publicity of Shardiya Lecture Series is done by displaying banners. There is linkage between college and society. So the people wait for this lecture Series. The lectures are arranged on academic social and current issues. This is the only lecture series in North Maharashtra University region run by college

4) Evidence of Success:

The college has made it as a regular practice. Therefore Shardiya Lecture Series is run every year. It is conducted without break in any year, Series has enhanced respect about our college. This practice has inculcated that college is in society and for society. The students work as volunteers for this lecture series so they get pleasure to participate. The Lecture is sponsored by the donar in memory of his loved one. The photograph is on the stage and there is pooja and memorization at the beginning of programme. The donar is felicitated at the hands of the Principal and the lecture begins. The lecture series is organized regularly. This is the evidence of success.

5) Problems Encountered and Resources Required:

In organizing the Lecture Series no problems are encountered. The financial provision is made by the donars generously. This generosity is appreciated and acknowledged through this lecture Series. This is the innovative and best practice which benefits both the students and society. This makes education life oriented and community oriented.

7.4 Contribution to environmental awareness / protection

❖ **Environmental awareness programme.**

Environmental awareness programme conducted in college campus as well as adopted village by NSS Unit. This programme aware to students, teachers, non-teachers and peoples about air pollution, water pollution, plastic garbage and cleanliness

More other work

- Tree plantation and Green Gardening
- Campus cleaning work.

❖ **Hazardous waste management**

Our college has no Science laboratories therefore no any hazardous waste is generated.

Regarding the usage of paper the college has followed the practice of ordering paper for all departments separately for their respective usage .All departments submit their requirement order to the Principal. This has made it possible to have an overall view of paper usage and resulted in drastically reducing the wastage of paper. The college administrative staff prints documents for proofreading only on used paper. The college has prohibited the use of plastic in college campus.

❖ **e-waste management**

The college organized a programme to generate awareness about e-waste management amongst students and staff members. They were made aware about e-waste and the importance of its recycling and proper disposal, since it is hazardous for the environment. Our college is collected e-waste products through the students and staffs and given to the recycler for the recycling.

❖ **Any Other**

The NSS units of the college are encouraged to nearby villages about Environment awareness, Water Management, Tree Plantation, Cleanliness, Use Energy Sever Lights with LED and No Plastic use.
