## Red Ribbon Club

Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. Red Ribbon club is a NGO working for HIV/ AIDS Problem to aware people about the HIV/ AIDS to educate them about this disease. They also work for awareness of blood donation because blood donation is also related to this disease. In India majority of youths are not aware of this dangerous disease. As India is having largest number of youth in the world. The threat of HIV is big in this country. Red Ribbon club is a movement working for education of youths and make youth aware and a torch bearer of the fights against HIV AIDS. We are suffering from lack of awareness. This movement is working to make youth aware. NSS Unit of Adarsh college of Arts is having a tie-up with Red Ribbon Club. We are working together to create awareness about HIV AIDS.

### 1) **Lecture on Blood Donation and Aids Awareness - 28<sup>th</sup> September 2018**

Adarsh college of Arts Organized Lecture on the Importance and awareness about AIDS and blood donation. Speech on blood Donation and AIDS awareness was delivered by Dr. Mahesh Thakare at Nijampur in Association with Red Ribbon Club. Blood donation is a great service to society because blood cannot be created and only human blood is accepted from the donor. Human Blood is very useful to save human life it is very beneficial to the blood donor as it creates new antibodies in the blood only 2.50 ml blood is taken out and there are no side effect for the donor on all misconceptions about donating blood are wrong and youth should participated in blood donation movement. AIDS is a great danger in modern times. There is no cure for HIV only protection is awareness and not to get infected. Students should enlighten rest of the society about this dangerous diseases.

This function was organized on 28<sup>th</sup> September 2018. 60 students participated in the programme. Principle Dr. A. P. Khairnar was the president of this function Programme officer Pranav Garud and assistant programme officer work for the success of this programme.

Prin.Dr.A.P.Khairanar delivered presidential speech

## 9) Red Rabin Club opening -21 August 2019

NSS Unit Adarsh College of Arts started Red Ribin Club a function of Red Ribin club opening was organized on 21 August 2019. 65 students volunteer participated in this programme. The red ribin club is a NGO working for HIV AIDS and Blood Donation activities. This is very important social work. They have started their branch in Adarsh college of Arts in cooperation with NSS unit Adarsh college of Arts. Students were enrolled for Red Ribin committee which will work in college for above mentioned subject. Mr.Yogesh Nandre was guided the student in this program. Student volunteers were informing to AIDS awareness in society and other students about the danger of HIV AIDS. This new form of master killer is a danger to humanity. We can't cure the patient of HIV but only preventive measure to stop it. The Indian tradition of high moral values and medical awareness are the only defense for HIV disease. Blood donation is the boon of human society. Only human person can donate blood we can't create artificial blood. Nowadays blood is very much useful for continuous requirement of medicals to save the life of human. One blood donor can give life to many patients through his donated one bag. Blood donation is very helpful for the donor himself also. New antibodies created and his immunity is increased. Every medical fit adult can donate blood from 18 to 16 years. Every male and female can donate the blood. Only condition is he should be fit. Prin.Dr.A.P.Khairnar presided the function. Programme Officer Mr.Pranav Garud and assistant programme officer Mr.Y.R.Kulkarni and Miss. Priyanka Sulakhe work for the success of this programme
