## **Report of Add-on Course on Human Psychology** **01 January 2019 to 31 January 2019**

### *Objectives*

- To Make Aware the Students about Psychology.
- To Make Aware the Students about psychological Variables.
- To give information about Systems of Body to the students.
- To give information about Function of the Body to the students.
- To Make Aware about Psychological Disabilities.

Niampur- Jaitane Shikshan Prasarak Mandal's, Adarsh College of Arts and Department of Physical Education Conducted Add on Course on Human Psychology held at 01 January 2019 to 31 January 2019. Our college belongs to rural area. Our Students come from Tribal and Rural Areas. Students in rural and remote areas are not mentally competent. They are unaware of how and to what extent a person's mentality affects life. Factors such as anxiety, aggression, personality, stress have a positive as well as a negative effect on life. These mental factors also have a profound effect on education. It is only by balancing the mental elements that one should be able to strike a positive effect, otherwise one can feel the negative effects. Students face many mental problems in their teens. So they need to know what his mental problems are, the solutions to them.

The physical side as well as the mental side is very important in a person's personality. The mentality of a person is very important in making any decision. Many things like anxiety, stress, and aggression have

## Add on Course on Human Psychology

positive and negative effects on the personality. One needs to know every aspect of one's own mentality. In rural areas the level of mentality is very low. The self-confidence of the students is very low because their personality is not effective.

A Candidate should have passed 12th Examination. Candidate who admitted to B.A, are also for eligible for admission. This Course is Free of cost. First Come First Serve Basis

For this Add on Course 30 college students were enrolled. The syllabus of the course was prepared and approved by the subject expert. 30 hour course was prepared. One hour teaching was done daily during the day. The curriculum was designed to cover a wide range of dietary factors.

On 31 January 2019, a multiple choice examination of 100 marks was conducted for add on course. After that the paper was checked and the result was given. Students who passed the examination were given certificates by the college.
