Academic Year 2018-19

Report of Spoken English Course

Objective:

- To develop the communication skills of the students
- To inculcate the speaking English habits among students
- To emphasize on speaking English of the students
- To train students in interview skills

English is a language used internationally. Communication is the key to information. And English helps you communicate with people all around the world. So, it opens the door of various opportunities for the students. By considering the need and benefits of the English Language, the Department of English conducted one month Spoken English course in the month of August for the academic year 2018-19. The course is primarily designed for those students who are interested in English. Primarily objective of the course is to develop Listening, Speaking Reading and Writing of the rural and tribal students. It is very essential for beginners in English at degree level.

The students are from different department willingly admitted to the course. The course covers the basic idea of the spoken English course. During the course

English grammar; the techniques of the spoken English are taught in the class. The Group discussion and seminars are conducted in the class for enhancing their communication skills. The students from the tribal and rural background is encouraged to attend the course. The Principal of the collage guided to the coordinator and students of the course. During each day the coordinator take note of the grammar, pronunciation and language skills of the
